

# HOME RUNS FEATURE IN THE PENNANT RACE

(By Associated Press.)

CHICAGO, Sept. 9.—Brooklyn, beating the Braves twice, climbed up to within two points of Philadelphia in the chase for the National league pennant. The champions fell before the Giants in the first game of their doubleheader and rain prevented the second contest. The standing of the leaders:

Clubs—	W.	L.	Pct.
Philadelphia	75	50	.600
Brooklyn	74	51	.598
Boston	71	53	.573

In the American league Detroit gained half a game on the leading Red Sox by winning, while rain ended the Boston-Washington game in a tie. The Tigers are now only one and one-half games behind the leaders. The White Sox maintained the pace and are now but two games behind Boston. Standing of the leaders:

Club—	W.	L.	Pct.
Boston	76	55	.580
Detroit	76	58	.567
Chicago	75	58	.564
St. Louis	70	64	.522
New York	69	64	.519

NEW YORK, Sept. 9.—New York Nationals stopped Philadelphia's winning streak by easily defeating the league champions 9 to 3 in the first game of what was to have been a doubleheader. The game was terminated by a severe rainstorm while Philadelphia was at bat in the ninth inning. The second game was called off on account of rain and two games will be played today.

Alexander, the pitching star of the Phillies, was hit very hard, the Giants making 13 hits in 7 innings. The Philadelphia fielding also was poor. Bancroft starred for the champions with a home run and two singles in three times to bat.

(By Associated Press.)

WASHINGTON, Sept. 9.—Washington and Boston Americans battled six innings without scoring, the game

being called because of wet grounds after a heavy downpour. Shaw allowed two hits and Shore three.

(By Associated Press.)

CHICAGO, Sept. 9.—Catcher O'Neill, of Cleveland Americans, enabled Chicago to win its sixth straight game, 3 to 2, after 11 innings. Terry walked in the 11th and advanced a base on Schall's out. Cleotie struck out, but O'Neill allowed the ball to get away from him. After he recovered it he threw to right field, trying to catch Cleotie, and Terry scored from second with the winning run.

DETROIT, Sept. 9.—Detroit defeated St. Louis in the third game of the present series, 3 to 0. The visitors were helpless before Mitchell's pitching. Spectacular fielding prevented several hits throughout the game.

(By Associated Press.)

PHILADELPHIA, Sept. 9.—Philadelphia Americans defeated New York, 8 to 2, on a rain soaked field. The home players gathered eight hits for seven runs in the first two innings off Russell and Love. Schang had home runs the first two times up. Manager Donovan pitched the eighth inning for New York.

## PLENTY OF COYOTES

Mr. Brennan, who is the government hunter for the section of country about Denio, brought in a lot of thirty coyote pelts for shipment last week. Coyotes seem to be as numerous as ever, despite the numbers killed, and people are fearing losses of live stock, as occasional cases of rabies are still reported.—Humboldt Star.

# NEVADA CROP CONDITIONS BETTER THAN IN A MAJORITY OF STATES

WASHINGTON, Sept. 9.—A summary of the September crop report for the state of Nevada, as compiled by the Bureau of Crop Estimates, is as follows:

Winter wheat—Preliminary estimate, 662,000 bushels; production last year, 572,000 bushels.

Spring wheat—September 1 forecast, 1,050,000 bushels; production last year, 1,088,000 bushels.

Oats—September 1 forecast, 612,000 bushels; production last year, 585,000 bushels.

Barley—September 1 forecast, 480,000 bushels; production last year, 576,000 bushels.

Potatoes—September 1 forecast, 2,230,000 bushels; production last year, 2,236,000 bushels.

Hay—Preliminary estimate, 552,000 tons; production last year, 675,000 tons.

Apples—September 1 forecast, 16,000 barrels; production last year, 40,000 barrels.

The first price given below is the average on September 1 this year, and the second the average on September 1 last year: Wheat, \$1.55 and 90c per bushel; oats, 74c and 50c; potatoes, 92c and 90c; hay, \$10 and \$7 per ton; eggs, 25c and 30c per dozen.

On the whole, August was a cool, dry month. There were a number of very chilly nights, with minimum temperatures ranging from 21 to 41 degrees in the northern, and 31 to 58 degrees in the southern counties. From one to nearly two inches of rain fell in parts of Lincoln and Clark counties, but over the rest of the state the fall was less than an inch, and below normal. The precipitation for the season from March to August has averaged about 2.14 inches, which is only 51 per cent of the normal. The long drought has damaged the stock ranges.

The September forecast of 2,230,000 bushels of potatoes is one of the largest ever forecasted in Nevada.

The September estimate of hay production is well up to the average of recent years, and the quality is excellent. On the Truckee-Carson project a good third cut of alfalfa is promised.

A normal crop of melons and cantaloupes, was harvested in the Moapa Valley section, and a fair production is located at Fallon.

Prospects for a good alfalfa seed crop in the Mason Valley are bright if autumn frost is long enough delayed.
